

# Visit our School

## Invitation

Cammeray Public School warmly invites prospective parents of children starting school in 2025 & beyond to a 'Visit Our School' morning tour on either:

**Thursday May 23 or Tuesday June 18**  
**at 9:30am - 10:15am**  
**Cammeray Public - School Hall**

If you are looking at school options for your child, this will provide useful information about Cammeray Public School and our enrolment procedures. Presented by Ms Kerry McConaghy (Principal) and the Executive team, this session offers a wonderful opportunity for parents and carers interested in learning more about our school.

**Bookings are essential.** Click [here](#) to reserve your place. These sessions are for parents & carers only. Children will have an opportunity to familiarise themselves with the school at a later date.

Please note: Our school is currently at capacity, with enrolments open to families living within our catchment zone. Visit our [website](#) for further details.

We hope you can join us and look forward to welcoming you to Cammeray Public School.

Kerry McConaghy  
Principal
